How The TBDC Program Can Save You Money

No Equipment Cost - We send you a brand new Countertop, Wireless, Mobile, or Web Based free at no cost to you. There are no installation fees or set up costs under this program.

Savings \$ 600 - \$1200

No Dedicated Phone Line Required for the Terminal – Almost all older equipment requires a dedicated phone line to process credit card transactions, with our new technology terminal there is a fast 2 second processing time so there is no need to have a second line.

Estimated Savings \$400-\$600 per year

No Additional Printer Required - Our Credit Card Terminals have a built in thermal imaging printer, no need to buy or lease an expensive printer or to hand write every credit card transaction when providing a receipt for your customers. **Estimated Savings \$540**

No Expensive Ink Cartridges Ever Required - Most terminals have ink cartridges that need to be replaced quite often and typically cost \$20 to \$35 to replace. Our terminals do not require ink cartridges because they have a thermal imaging printers that utilizes heat to transpose the image onto the paper. **Estimated Savings \$240 per Year**

No PIN Pad to Accept Debit Cards is Required - If you want to accept debit cards you can with the built in pin pad, now your customer can enter his PIN number and there is no need to buy a stand alone pin pad. **Estimated Savings \$120**

No Warranty Program Required – Business owners usually pay an additional \$9.95 to \$19.95 per month cost for a warranty program. If you have a problem with your terminal you will have one to replace it ASAP so you do not lose any business. We will replace the equipment in 24 hours, prepaid to your location at no additional cost.

Estimated Savings \$240 per Year

No Application Fee, Start up Costs or Deposit Required – You will be able to accept all the major credit cards, including Visa, MasterCard, American Express, Discover, JBT, EBT, And Debit Cards with no upfront cost and no money out of pocket to start, the application and set up fees have been waived because you have a valid sales tax permit in Texas.

Estimated Savings \$145
